Specifications

- Available in 5/8" thick unfinished natural Soft Maple hardwood, or 5/8" thick prefinished Baltic Birch plywood. Other woods available - call for quote.
- Bottoms are 1/4" plywood and recessed up 1/2". They are similar material to the sides. A 1/2" plywood strip to support 1/4" bottoms on drawers 24" or wider is used.
- All joints are glued and machine pressed with bottoms stapled.
- Heights are available from 2" to 14" on even inch increments.
