### **Raised Panel Cabinet Doors**

Hundreds of thousands of Evans' raised panel cabinet doors have been installed in homes, townhouses and businesses since we started in 1992. Satisfied door customers include builders, remodelers, cabinet shops and individuals who rely on us to craft fine quality raised panel cabinet doors backed by exceptional service.

Your choice of beautifully crafted fine solid wood cabinet doors can be made from Ash, Red Oak, Maple, Cherry, White Oak, Birch Hickory, Mahogany or any available wood. Any style can be left open to accept glass or decorative panels. Every door is custom made from a choice of over twenty styles with nine edge profiles and four standard panel cuts.

Evans also manufactures doors for most curves and arches.

Appliance panels can be ordered to fit many dishwashers, refrigerators, ice makers, and trash compactors.

MDF Panel Paint Door

All Wood Paint Door

All styles are five piece construction with a choice of solid wood, MDF raised, or 1/4" plywood flat panels. Doors are 13/16" thick with raised panels the full thickness of the door.

Our door frames are constructed from fine hardwood lumber with each joint glued under pressure and pinned. Stiles and rails are 13/16" thick and 2 1/2" wide joined with a mortise and tenon. The panel is 13/16" thick and is raised on both sides. All parts are sanded smooth with cross grain scratches removed from the front.

**Payment** - Payment is required with the order unless an approved credit application is on file. We accept VISA, MC, American Express, and Discover Credit Cards. Orders under \$300.00, add \$15.00 setup charge. Add sales tax and shipping. Orders shipped UPS or our truck. Door orders over \$300.00 delivered free within Texas.

## Limited Warranty

Products manufactured by EVANS CABINET AND DOOR, LTD. are guaranteed against workmanship or product defects. Doors less than 24 inches wide or 48 inches tall are guaranteed against splitting or warping for two years after the date of original invoice. This guarantee also applies to slab fronts less than 32 inches wide or 9 inches tall.

EVANS CABINET AND DOOR, LTD. guarantee does not cover cabinet doors that are not sealed or painted in a timely manner.

EVANS CABINET AND DOOR, LTD. does not assume responsibility for any damage due to installation, improper handling, or finishing. Evans Cabinet and Door Company, Inc. shall not be held liable for re-finishing or replacement installation cost. No other warranty is expressed or implied.

## Order Changes

Doors and drawer fronts are custom made to the sizes you order, so the product is of no use to anyone if incorrect information is provided. Changes on orders in process are subject to charges to be determined by EVANS CABINET AND DOOR, LTD. at time of request. Changes will also delay shipping date.
